[DENVER-#560622-v1-Upper mo EPA drf settlement offer.docx](#)

Kurt, attached is a draft response to Upper Missouri Waterkeeper for MDEQ's review. We would appreciate it if you could take a special look at the portion of the document laying out the likely course of the MDEQ rulemaking process to see if it is accurate. Please let me know if you have comments or corrections or if this looks ok. We'd like to get it plaintiff tomorrow if at all possible.

Dan
